

Senior Advisors (PKC Project)

Pay Scale / Remuneration: Up to Rs. 1,00,000/- per month consolidated, depending on experience. Part time positions will be considered.

No. of Post(s): Upto three numbers of posts.

General Statement and Description:

The Government of India, through the office of its Principal Scientific Adviser (PSA), has sanctioned the **Pune Knowledge Cluster (PKC)** with the goal of connecting organisations with high-level of expertise in diverse domains of Science and Technology, Innovation and Entrepreneurship, in and around Pune. These include Universities and Colleges, research laboratories, R&D establishments at the National and State level and leading industries that are situated in Pune.

The initial short- and long-term projects of the PKC for Pune City that are to be developed and executed are grouped under the following verticals:

- **Education and Skills Development:** Capacity building and skill development of students and young professionals and, thereby, improving their employability.
- **Environment:** (i) Study and improve the tree coverage in Pune and (ii) Sustainable water management.
- **Sustainable Mobility:** (i) Study and model last mile connectivity by E-transport, (ii) Pilot study to connect electric vehicles to grid/home and (iii) Integrated electric multi-modal transport.
- **Health:** Develop comprehensive and dynamic epidemiological database for the present and the future.

The above projects are illustrative and other projects and verticals will be identified over a period of time. All projects will be jointly developed and executed by educational and research institutions, R&D laboratories, industry and citizen groups.

Further information about the PKC can be found at [About PKC](#).
